STATE OF IOWA                    )  
  ) ss.  
COUNTY OF OSCEOLA        )

Paul Robert Dorr, being first duly sworn on oath, deposes and states that following:

1.       I am the Defendant in this case and make this Affidavit upon my personal knowledge of the facts contained herein.

2.       On October 6, 2018 I checked out four books from the Library. I found messages of the books to be offensive because I believe each of them<sup>1</sup> promoted a homosexual agenda and culture contradicting my religious beliefs. In protest, on October 19, 2018, I burned those books at a public demonstration in Orange City, Iowa. The protest also occurred on the same day activists celebrated "OC Pride" day with a Drag Queen Festival in the Prairie Winds Event Center in Orange City.

3.       I read a public statement protesting against OC Pride and the Drag Queen Festival, with the Event Center hosting the Drag Queen Festival as a backdrop. My protest and statement were filmed, recorded, and subsequently published on Facebook. My protest and actions drew

significant adverse attention, including opposing, if not threatening, responses including demands that I be punished for my views and for broadcasting my views.

4. Attached hereto and marked as **Exhibit 1** is a true and correct copy of the City of Orange County Police Department Report of me.

5. Attached hereto and marked as **Exhibit 2** is a true and correct copy of my Statement.

6. Attached hereto and marked as **Exhibit 3** is a true and correct copy of the payment receipt showing the Library had received payment for the four books I burned.

**REPORT BY:** Officer Duane Hulstein

**SYNOPSIS:** On November 6, 2018 the Library Director of the Orange City Public Library, [REDACTED] filed a report of vandalism with the Orange City Police Department. Ms. [REDACTED] reported on the morning of October 6, 2018 an individual by the name of Paul Dorr came into the Orange City Public Library, opened an account, and checked out 4 books form the library. Ms. [REDACTED] reported the 4 books were titled, Two Boys Kissing, Families families families, This day in June, and Morris Micklewhite and the Tangerine Dress. Ms. [REDACTED] reported, on October 19, 2018 Mr. Dorr burned the four books, Two Boys Kissing, Families families families, This day in June, and Morris Micklewhite and the Tangerine Dress. Ms. [REDACTED] also made reference to a video posted on a Facebook page, Rescue the Perishing, posted by Mr. Dorr, on October 19, 2018, of himself burning the books. Ms. [REDACTED] also stated the library sent Mr. Dorr a reminder via email, of the 4 books coming overdue. Ms. [REDACTED] reported she received an email from Paul Dorr, in response to the overdue warning, stating that the books, Two Boys Kissing, Families families families, This day in June, and Morris Micklewhite and the Tangerine Dress, have been damaged beyond further use. Ms. [REDACTED] provided this Officer with a copy of the email sent by the Orange City Public Library to Mr. Dorr in reference to the 4 books Mr. Dorr checked out on October 6, 2018 coming overdue, and the response received from Mr. Dorr regarding the overdue notice on the 4 books. Upon request of this Officer Ms. [REDACTED] also provided Library records of Mr. Dorr opening his account on October 6, 2018, and the books checked out by Mr. Dorr on October 6,

2018. Ms. [REDACTED] also provided video of Mr. Dorr in the Orange City Public Library on the morning of October 6, 2018. I asked Ms. [REDACTED] which of the Library employees helped Mr. Dorr on October 6, 2018. Ms. [REDACTED] stated, [REDACTED] was the employee that helped Mr. Dorr with his account, and Aarika Van Gelder was the employee who assisted Mr. Dorr in finding the books titled, Two Boys Kissing, and Morris Micklewhite and the Tangerine Dress. (See Written Statements).

After taking the report from Ms. [REDACTED], this Officer contacted Mr. Dorr on the morning November 7, 2018. This Officer spoke with Mr. Dorr and informed him of the report made by the Orange City Public Library, and asked if he would come to the Orange City Police Department to speak with me about the investigation. Mr. Dorr initially agreed to speak with me and come to the Police Department on Thursday November, 8 2018 at 7:30 AM. On the afternoon of November 7, 2018 this Officer received a message from Mr. Dorr stating that he had changed his mind, declined my invitation, and would not be participating in the investigation. Mr. Dorr requested I return his phone call to confirm that I received his message. At that point I contacted Mr. Dorr and informed him that I did receive his message.

After talking with Mr. Dorr, and completing my investigation, this Officer filed a charge of Criminal Mischief in the 5<sup>th</sup> Degree on Mr. Dorr, and requested the Clerk of Court send him notice of his court date by mail.

## LETTER TO THE EDITOR

## Where Christian do you stand?

### TO THE REVIEW:

The primary purpose of the statement I read — found at [www.rescue-thee.org](http://www.rescue-thee.org) — and my other activities outside the UC Pride event in Orange City on Oct. 19 was to call for repentance and repentance of my own.

A generation ago I stood against them: Northwestern College president James Bull-Davis, C.A. baby-buncher, Dr. Lem Schlimmel. I exposed it by having an airplane pull a banner over Hockinson in 1955. Epley's own years ago I picked Northwestern with heretical play "When Scott Cranes Home."

Now Scott Cranes Home which offered the satanic impulse to unrepentant homosexuals of the assurance of their salvation if they would merely negate Jesus Christ.

I also opposed the rampant immersion of classroom sex talk and drug ed into the lives of young people in public and Christian schools. I snored against those who offered the false alternatives within the Christian community — Alpha

Center, Redham Christian Services, CPKs, etc.—and their phony substance-abuse education courses. My challenge was, "How can these women publicly reach about marital union apart from Christ, apart from His Word, apart from the parents and apart from Godly preaching from the pulpit? How?" It was all so bizarre.

My child is responsible for fathers, elders and pastors aren't doing it, so we must." I would reply, "Then call those

## Rescue The Perishing

Advancing Christ's Kingdom via the Law/Word of God!

# May God And The Homosexuals of OC Pride Please Forgive Us!

-For Immediate Release-

(October 19, 2018) – Orange City, Iowa

Members of OC Pride, before I address your public sins this week-end, my generation must humble itself and confess to God and you, our contributing sins! On behalf of my 'yuppie' generation living here in NW Iowa I ask God and your generation's forgiveness for our massive sinful commissions and omissions!

Over the last 25 years Christian parents, churches, denominations, colleges, and area schools were challenged! They were called to repent of their indifference to their duty to ensure consistent Biblical training of their children in the realm of sexual morality, marriage and family. When many of you with OC Pride were yet

EXHIBIT 2

PAUL DORR AFFIDAVIT

children, Rescue The Perishing called on such Christian authorities to repent of their apathy, cowardice, vanity, pride, and any of their own past voice-muzzling sexual sins. Then, as redeemed Christians, we asked them to humbly join the struggle to raise up “godly seed.” (Mal. 2:15)

But most adults during this time, like Gallio in Acts 18 really “...cared for none of these things.” (17b) and did not bring up their children in the nurture and the admonition of the Lord. Many attended churches while promoting sexual hypocrisy by their mere acquiescence to the sexual agenda and ended up “provoking their children to wrath” (Eph. 6:4) – the wrath often born of guilty consciences and sexual degradation. In your childhood – OC Pride members – most fathers were like Haggith in 1<sup>st</sup> Kings 1 not wanting to suffer the wrath of his rebellious son Adonijah, and thus never in love, rebuked their child’s sin by asking, “Why have you done so?” Even Eli the priest was condemned of God for merely whining about his rebellious sons but not acting to oppose their foulness. In not acting he dishonored God and as a result Eli lost God’s covenant blessing on his house. (1 Sam. 2:22-36)

My voice back then was vilified and silenced, sometimes even from the pulpits in this area. May God have mercy on these men, pulpits and elders.

Elders and pastors did not stand up against the feminist lies that have ruined young women and neutered young men since the early 1970s. They rolled over when Calvin Seminary professor Marten Woudstra, a homosexual, played a heavy hand in writing the Christian Reformed Church’s “homosexualism” position paper which the denomination adopted in 1973. Woudstra also served as the Hebrew editor to the NIV Bible which “softened” the seriousness of sodomy. His personal homosexuality didn’t surface until after his death, but the churches of this area should have separated from the CRC soon after his fake doctrines were adopted.

Over this time courts, cultural institutions, propagandists, teachers, professors, colleges and seminaries were ripping the transcendental, the intimate, holy, private and future-oriented productive power of marital union away from our youth – including many of you now in the gay pride crowd. Those entrusted in your spiritual and moral growth and your protection raised nary a peep. After all basketball, making money, being well-liked and other distractions meant so much more to

EXHIBIT 2

PAUL DORR AFFIDAVIT

them. They did not trust Christ but quivered in fear of mere mortal men, all this when most of you were yet children.

For years, I've asked what Rev. Greg Bahnsen of the Orthodox Presbyterian Church once asked, "How many times can a Christian elder turn his head and pretend he just does not see?"

The culture was bad enough, as Rev. B.J. Haan, founder and former President of Dordt College, warned in the 1948 issues of Time and Life magazines. The B.J. Haan of 1948 cautioned that through movies, Hollywood actors would be teaching covenant children about sex, drunkenness, and violence, thus hindering Christ's Kingdom advancements. Yet with Hollywood's porn industry now destroying children from grade-school age on up to college students and many marriages in the Reformed Christian world, Dordt's current President Hoekstra recently belittled (time stamp 19:10ff) Haan's concerns, vainly characterizing them as 'ranting and railing'.

But worse than the cultural influences were the local classrooms. Classrooms are presumed by children to enjoy the delegated teaching authority of their parents and pastors alike. When it came to classroom sex talk, children could listen freely without a guilty conscience. They didn't have to hide it. But sex-ed changed fundamentally in America in 1966. It went from biology and physiology to humanist values, attitudes, norms and explicit sexual details all designed to undermine God and parents.

Many Iowa schools were slow to adopt these, so in 1988 the Iowa legislature was pushed to update their Human Growth and Development statutes to include explicit teaching about "human sexuality" and "acquired immune deficiency" (AIDS) in required sex-ed courses to children in 1<sup>st</sup> thru 6<sup>th</sup> grades, in Iowa accredited schools. RTP spoke out – asking pastors and then Iowa pro-life leader and Dordt graduate, Marlys Popma to oppose S.F 2094 as it would only open the door to homosexuals gaining access to sexualize the children in Iowa public and private schools. Popma said they weren't going to oppose it, but that she was going to have a seat on a state committee that would oversee its implementation to warn against any abuses. I was devastated by her toothless compromise, which opened the door

EXHIBIT 2

PAUL DORR AFFIDAVIT

to degrading classroom sex talk for most Iowa children, including many of you now with OC Pride.

Most of you, I imagine, were vulnerable children when this government-dictated sexual sewer was launched in the classrooms. As Catholic scholar Randy Engel has written, “Under the guise of ‘education’, the advocates of the new sexual catechesis conspired toward the premature seduction of the child. Having been robbed of the natural protection to their tender psyche normally accorded to children during the latency period, the child is systematically exposed to a barrage of sexual stimuli and images in the classrooms. These images are impressed into the memory and imagination. They return – both voluntarily and involuntarily, to stimulate the libido. The child finds it more and more difficult, if not impossible, to remain chaste. Base sexual instincts are released, and a pattern of sexual aggressiveness emerges. Because of the nature of sexual ‘knowing’ (1 Sam. 1:19–20, et al) which unlike other types of learning such as math or history, involve the passions, damage done to the child is often irreparable.”

Once they blasphemed the transcendent God as “myth”, then the revolutionaries attacked God’s precepts and laws governing sex as mere “mythology” with the necessary arrogance and ridicule added to it. They replaced it with a materialistic view of life. Private, loving and intimate marital union became naturalistic and animalistic – not any different than any other bodily function. Oh, such degradation they’ve brought us.

Casting God as mythology was not the only change in the lexicon. Here’s another example. The ever so misguided chaplain at Dordt College, Aaron Baart, himself appears to be a victim of the neglect of the generation before him. In the 1970s the sex educators worked to change language with any moral content. A national sex-ed group called SIECUS then wrote that homosexuality should no longer be called deviant but a variant of sexual practices. The moral scrubbing of God’s Word is rather clear if one listens to just a few minutes of Aaron Baart’s talks on sex, where he, too, calls homosexuality a “variant” on sexual lifestyles. See his slide used at a Dordt College chapel speech [here](#).

As Dr. Melvin Anchell wrote twenty-seven years ago, “The widespread interferences by sex educators in the sexual development of the 3 to 5 year old’s can be seen in the ever increasing exhibitionism and voyeurism that has become a part of our everyday culture.” Is there any wonder porn is out of control? **We did it to them!**

Or as French writer Claude Tresmontant wrote, “One can massacre children by a bombardment, but one can also slowly depress them, demean them, degrade them, turn them from their finality, and that under the influence of the ambivalent milieu, of the teaching one gives them, of the vision of the world one proposes to them. Along these lines one can **degenerate children.**” Homosexuals and others lost to heterosexual sin, please forgive my peers who were in authority. My generation played a serious role in your degeneration.

The sex perverts got the US government to put lots of money into these sex-ed curriculum’s, including the diversionary courses designed to keep the children of offended parents still sitting in the classes. They were called ‘abstinence courses’ and were aggressively pushed by Leslee Unruh and the Alpha Center in Sioux Falls. RTP challenged her while churches, high schools, Northwestern College and many more welcomed her in. We even leafleted her 1,000-person annual banquet one year in the early 1990s. See our flier [here](#). I warned, “She cannot teach about marital union apart from Christ, apart from His Word, apart from their parents and apart from Godly preaching. If the parents and elders aren’t doing their jobs, then call them to repent but don’t try to replace that which God has ordained. You will only teach sexual hypocrisy to the kids...and they will see through it soon enough!” I still have a file full of angry letters from Christians throughout this region who welcomed Unruh’s brand of classroom sex talk. Time and again I witnessed the pulpits yield to Alpha Center-type abstinence instruction. I looked at her 990 IRS tax returns about ten years ago and between her two so-called Christian pro-life groups she was personally pocketing \$160,000+ that year. Unruh figured out what the humanists all know – “Sex sells!”

For a generation now, these Christ-less courses have primarily taught sexual hypocrisy to most children in the name of God. While going through these courses, those who managed to be married as virgins, did so due to an extra measure of God’s grace in their lives and not because of them.

EXHIBIT 2

PAUL DORR AFFIDAVIT

But let's back up a bit so you can understand what I'm doing here today. The perverse sexual culture of the 1920s in Berlin was being amplified across Germany. The epi-center of this sexual debauchery was Magnus Hirschfeld and his Institute for Sex Research (ISR) in Berlin. Hirschfeld was one of the first since the so-called Enlightenment to openly advocate for making homosexuality and transgenderism normal. In a high-profile German court case Hirschfeld testified that "homosexuality was part of the plan of nature and creation just like normal love." His testimony caused outrage all over Germany. Hirschfeld kept a massive deviant sex library at the ISR in Berlin.

In December of 1930 Hirschfeld was brought to America by Dr. Harry Benjamin and Dr. William Robinson to speak at the American Society of Medical History to spread his filth here, too. Meanwhile, the 19<sup>th</sup> century had been devastating to the churches of the Reformation in Germany. With them mostly emasculated the Church leader's primary response to Hirschfeld was silence, not unlike the churches of NW Iowa today. As a result, the Nazi youth movement sensed a political opportunity to capture the anger of the common man against Hirschfeld's movement, and on May 6, 1933 they moved in on his library of perversion. They started their infamous book burning program that night, burning 20,000 volumes of what E. Michael Jones called, graphic sexual material. They also found and burned all the counseling files belonging to homosexual Nazi officers, who had previously been sent to Hirschfeld by court appointment. He was using their sex files for political leverage.

As the Nazis were being swept into power, much of ISR's sexual perverted archives still made it out to France and then, on to America. With the help of the American doctors mentioned above Hirschfeld's library made it to Bloomington, IN, to the Kinsey Institute on the University of Indiana campus. From there Alfred Kinsey, himself a homosexual, provided fake scientific legitimacy on sexual perversion from the 1960s up through today. The Kinsey Institute set the standards and influenced public policy, state by state, on almost all government mandated classroom sex-ed in America. Hundreds of thousands of Iowans, alone, have been degraded by such.

**This brings us to today.** If we sit idly by much longer then how soon before another socialist Nazi political movement rises to capture such indignation and, again, lead

EXHIBIT 2

confused common folk to their destruction? When the Erastian ecclesiastical cowards fail to act it has serious consequences. Meanwhile, the 'Nazis' over at Facebook just censured 800 conservative and libertarian groups last week by shutting down their community pages without real cause. They had fan pages of tens of millions of people. The 'Nazis' at Amazon are now starting to censor scholarly books for sale on their site, whose theology and history they don't like. And in denying limited shelf space to the millions of other published books on the market, the Orange City library board itself, engages in a type of censoring. It's telling, though, the books they do shelve.

I don't want some radical socialist political party to come forth and do what the churches should be doing. I am done waiting on the adults in the homes, elders in these churches, school teachers and college professors to repent to Christ and take back their duties.

I'm not representing any political party. I'm standing here nearly alone. I've asked God to use this witness to call out to those adults in authority to tremble before Him, to fall on their knees and repent and then do their duties. It starts with Pastors admitting to themselves that their claim, "I'm just called to preach the Gospel" often boasted without admitting that their self-imposed limitations to this claim are not Biblical. May each of you elders and pastors be as encouraged as I was by Rev. Sacha Walicord of Grace Reformed Presbyterian church here in Orange City when he stood, nearly alone among pastors, opposed to the Orange City Library Board's transgender books and said, "We won't roll over," he said. "We will stand up and we will fight." Elders and pastors in your humility reach out to Rev. Walicord and the other faithful men who have stood up. Be humbled and encouraged as to how Christ is using them!

Only now do I plead with the homosexuals and those lost in all kinds of sexual debauchery and pornography to end their self-delusions. When it comes to sexual conduct under God there is no diversity of morality. Marten Woudstra's 'homosexual orientation' was a lie! No matter how loud you scream, mock and ridicule to suppress your consciences, those who receive the love of Christ and the forgiveness of their sins through His shed blood and who then turn in joyful obedience to His Law – are not haters! The ultimate act of love which Christ's

sinless gift provides to those of us wretches who receive the gift of true faith in Him and turn from their sin, can never be hate. And I know this personally to be true.

Homosexuals – come to see your sin and your past redeemed! See that the harm the adults did to you as children will also be redeemed. Begin to walk away from your degeneration and embrace true regeneration by the work of the Holy Spirit! Then go back with the love of Christ and the full assurance of the forgiveness of your repentant sins and call on the adults who harmed you as a child, to join you in faith and repent of their sins. Let us pray mightily that God will use this to stir another Reformation!

Meanwhile, continuing my 25-year stand for Christ I cannot stand by and let the adults – this time the shameful Orange City library board – bring the next group of little children into their foul sexual reality without a firm resistance. I have checked out, from the Orange City library, several of the books targeting 4- & 5-year old's which the Drag Queens will likely be reading to children here in Orange City this evening. These copies owned by the city of Orange City, IA will not be part of those they get to read, as I am going to do what the German church leaders should have done in 1933. I am now going to burn these copies. God be praised!

*“Speak unto all the congregation of the children of Israel, and say unto them, Ye shall be holy: for I the Lord your God am holy.” Leviticus 19:2*

Hello to you, too;

This is a friendly reply to let you know that the four books that were due this past Saturday have been damaged beyond further use. At the same time, I have had several new 'friends' contact me via several Internet portals and state they were sending replacements for each of these four books, in my name, promptly to the library. Others informed me that they were sending the library cash, again in my name, to the library to replace those damaged while in my possession.

I have also been contacted by a city/library official Sue Kroesche by email ([kroesche@orangecitycomm.net](mailto:kroesche@orangecitycomm.net)) on October

24, 2018, telling me that, "...the library now has a go fund me page that has nearly \$1,000 in it , and that money will be used to purchase even more of..." of such books. I imagine this is pleasing to your library board, especially board members Philipsen and Slagers.

As these four books can be purchased from Amazon for \$59.00 plus another \$10.00 S&H, their total replacement cost should be \$70.00. I see in last night's Sioux City Journal - regarding these damaged books - it was reported that "Vazquez said a few hundred dollars' worth of donations have rolled in, as well as some books." Vazquez's statement confirms what Kroesche wrote me and also confirms the stated intentions of my new 'friends' to donate and/or replace in my name – that is, clearly well more than enough has come in to cover their replacement costs.

Let me know if your library policy requires anything more than these plentiful donations and replacements. Thank you.

### Hate Bias Information:

SUE K. AT THE LIBRARY CONTACTED ME THROUGH THE O.C. CITY HALL. I WENT TO THE LIBRARY ON JUNE 13TH AND TALKED TO SUE. SHE TOLD ME THAT THEY HAD [REDACTED] THAT HAD BEEN CHECKED OUT BY A [REDACTED] ON 09/29/15. THE [REDACTED] WERE DUE BACK ON 10/02/15. SUE SAID THE ITEMS HAD NOT BEEN RETURNED AND THAT SHE HAD TRIED TO MAKE CONTACT WITH [REDACTED] SEVERAL TIMES ABOUT THE ACCOUNT OVER DUE ITEMS. THE [REDACTED] WERE [REDACTED]

[REDACTED] ON 06/13/16, THIS OFFICER FOUND [REDACTED] IN THE SHIELDWARE SYSTEM. ON 06/04/16 DUPUTY T. BERGSMA HAD CONTACT WITH [REDACTED] AND [REDACTED] SHOWED A [REDACTED] ADDRESS. I WENT TO THIS ADDRESS AND TALKED TO A FEMALE. SHE STATED THAT [REDACTED] NO LONGER LIVED THERE AND HE NOW LIVED IN ALTON. AT ABOUT 3:45PM I WAS ABLE TO TALK TO [REDACTED] AND TRIED TO GET INFORMATION ON [REDACTED] [REDACTED] SAID THAT [REDACTED] DID NOT LIVE WITH HIM BUT HE SAW HIM FREQUENTLY. I ASKED [REDACTED] IF HE WOULD TELL [REDACTED] ABOUT THE MISSING [REDACTED] AND TO HAVE [REDACTED] CONTACT ME. [REDACTED] SAID HE WOULD TELL [REDACTED]. ON 08/16/16 I ASKED DEPUTY T. BERGSMA IF HE WOULD TRY AND MAKE CONTACT WITH [REDACTED] AT HIS RESIDENCE IN [REDACTED] AND EXPLAINED THAT THE O.C. LIBRARY WOULD LIKE THE MATERIALS RETURNED IF AT ALL POSSIBLE. IF NOT THE WANTED \$70.97 FOR FINE & FEES. DEPUTY BERGSMA SAID HE WOULD GO TO THE RESIDENCE RIGHT AWAY AND TELL HIM ABOUT IT. AT ABOUT 5:15 DEPUTY BERGSMA ADVISED ME THAT [REDACTED] WAS NOT AT HOME BUT LEFT A MESSAGE WITH [REDACTED] AND ASKED THAT [REDACTED] CONTACT HIM ABOUT THE MATERIALS. AT ABOUT 10:35 PM, DEPUTY BERGSMA SENT ME AN E-MAIL MESSAGE STATING THE [REDACTED] HAD JUST MADE CONTACT WITH HIM AND HE DENIED CHECKING ANYTHING OUT FROM THE O.C. LIBRARY. AND WANTED A RETURN CALL FROM THIS OFFICER. I HAD TRIED TO CONTACT [REDACTED] ON THE NUMBER PROVIDED A FEW DAYS LATER AND KEPT GETTING A VOICE MESSAGE THAT THE CALL WAS NOT REACHABLE. I ALSO TRIED TO CONTACT SUE AT THE LIBRARY SEVERAL TIMES TO GET MORE INFORMATION. BETWEEN SUE BEING GONE ON VACATION, MY SELF ON VACATION AND VARYING SHIFTS, THIS CASE CAME TO A STAND STILL. ON 08/21/16 AT 3:59 PM I AGAIN TRIED TO CALL [REDACTED]

AND GOT THE AUTOMATED MESSAGE. AT 8:05 ON THE 24TH I TRIED THE GIVEN NUMBER AGAIN AND THIS TIME I DID REACH [REDACTED] AND EXPLAINED TO HIM WHO I WAS AND WHY I WAS CALLING. HE SAID THAT HE HAD TALKED TO DEPUTY BERSMA AND ALSO TO SOMEONE (POSSIBLY [REDACTED] AT THE LIBRARY AND TRIED TO EXPLAIN THAT HE HAD NEVER CHECKED ANYTHING OUT FROM THE O. C. LIBRARY. I TOLD HIM THE ONLY THING I COULD DO IS GATHER ALL THE INFORMATION AND PRESENT IT TO THE COUNTY ATTORNEY'S OFFICE. THEY THEN WOULD DECIDE IF I HAD ENOUGH TO FILE A THEFT CHARGE OR IF THE MATTER WOULD BE DISMISSED. AT ABOUT 10:05PM ON THE 24TH I RECEIVED A MESSAGE ON THE RADIO THAT HE HAD JUST RECEIVED A CALL FROM [REDACTED] AND THT [REDACTED] WOULD LIKE ME TO CALL HIM BACK. I TOLD DEPUTY BERGSMA IT WOULD BE JUST A FEW MINUTES AS WE WERE DOING SHIFT CHANGE. I HAD PICKED UP OFFICER VAN VOORST AND STOPPED AT THE PD TO GET KEYS, WHEN I WAS APPROACHED BY A [REDACTED] WHO IDENTIFIED HIMSELF AS [REDACTED] I TOLD HIM THAT I WAS BUSY WITH SHIFT CHANG AND THAT IF HE WOULD WAIT IN HIS VEHICLE FOR A FEW MINUTES, I WOULD RETURN AND TALK TO HIM. AT ABOUT 10:20 PM I RETURNED TO THE PD AND TALKED TO [REDACTED] HE AGAIN SAID THAT THE LIBRARY DID NOT HAVE THE CORRECT INFORMATION AND THAT HE HAD NOT CHECKED OUT ANYTHING FROM THE O.C. LIBRARY. I AGAIN TOLD HIM THAT I WOULD PRESENT THE INFORMATION TO THE COUNTY ATTORNEY'S OFFICE AND THEY WOULD DECIDE. AFTER MORE DISCUSSION, [REDACTED] SAID THAT HE HAD TALKED TO [REDACTED] AND HE WAS GOING TO HELP HIM OUT BY COMING IN TOMORROW MORNING ABOUT 10:00 TO PAY THE \$70.97 AND WANTED TO KNOW IF HE SHOULD PAY AT THE PD OR AT THE LIBRARY. I TOLD HIM THAT HE SHOULD PAY THE LIBRARY. [REDACTED] ALSO SAID THT HE WANTED TO CALL THEM AFTER IT WAS PAID TO CLOSE THAT ACCOUNT BECAUSE IT WAS NOT HIS. I TOLD HIM THAT IF HE OR [REDACTED] PAID THE FINE IT WOULD BE GOOD TO CLOSE THE ACCOUNT AND THAT THIS WOULD CLOSE THIS SITUATION.

ON 08/25/16 AT 4:20PM, I RETURNED A CALL TO SUE AT THE LIBRARY. SHE SAID THAT [REDACTED] HAD COME INTO THE LIBRARY AND PAID THE FINE & FEES REF [REDACTED] SUE ALSO INDICATED THAT SHE HAD CONVERSATION WITH [REDACTED] ON TUES. EVENING AND [REDACTED] WAS VERY ATTIMAT THAT HE DID NOT OPEN AN ACCOUNT AT THE O.C. LIBRARY. SUE SAID THAT SHE DID FIND SOME DISCREPANCIES ON THE ACCOUNT FORM AND SAID THAT IT LOKED LIKE AN IDENTITY THEFT MATTER AND THAT SHE THOUGHT MAYBE IT WAS [REDACTED] WHO OPENED THE ACCOUNT. I TOLD SUE THAT WITH ALL OF THIS HAPPENING ABOUT A YEAR AGO IT WOULD BE HARD TO FOLLOW UP ON AN IDENTITY THEFT. SHE SAID SHE WAS FINE WITH CLOSING THE MATTER AS IT WAS ALSO PARTIALLY HER STAFFS FAULT FOR NOT FOLLOWING PROCEDURE OF CHECKING AND COPYING A STATE ISSUED ID. THERE WILL BE NO CHARGES OR FURTHER INVESTIGATION.

You people are absolute morons. To go to a library and take books that do not belong to you and burn them because you disagree with the content is disgusting. You should go to jail for destroying public property. Moreover, Homosexuality is normal. There is nothing at all wrong with it. There is nothing wrong with sex education in the schools. What is wrong is to use religious teaching and twist it around to be used to discriminate or use violence against other people when the religion itself is not bad. You give good Christians a bad name and a bad reputation.

Aren't anger, theft, destruction of private property, making assumptions that may lead to harm of others (a form of violation of the Eighth Commandment), and judging others when Christ plainly tells us not to — aren't they all forms of public sin, too? You might glibly ask for forgiveness for the things you list at the opening of this blog, but are you repenting for your behavior in the video? ...

What a sad world of unhappiness and judgement you have built around yourself. Quoting catholic leaders does nothing for your cause, they are leading the cause for pedophilia and have lied about it for decades. Shame on you for calling yourself a Christian and then casting judgement on others. The Jesus I was raised knowing loves all, forgives all, and accepts all. You should look into those moral concepts instead of trying to preach fire and brimstone from your high horse while destroying property of others. Shame. Shame. Shame.

You are a broken, scared man. I feel great sadness that a human being, in such pain, would not be able to find solace in any other way, except by condemning others. I wish you better days.

Did you know that every time a christian uses that invention by that homosexual Atheist Alan Turing....jesus gets fucked in the ass in imaginary heaven, because y'all are committing blasphemy...funny how you religious cunts overlook that huh? I am going to find out where the carcasses of Paul Dorr's parents are buried, and pay someone to go take a dump on their graves.

Paul Dorr, as you pointed out, you are following in the footsteps of Nazis. You and your attempts to stop the ideas contained in books are every bit as futile as every attempt in the past and, indeed, as the very Nazis you emulate. All you've done is to demonstrate your impotence and to draw more attention to the conversations you would silence. You have made a study of what you claim to be "perversion" and clearly have an unhealthy obsession with what is none of your business. Worst of all, you claim to be a Christian while loudly and publicly demonstrating that you have no idea what it means to be one. As you are such a fan of telling others how they should engage in sexual activities, I'm sure you'll appreciate it when I tell you to go fuck yourself 😊

i am constantly and yet not surprisingly amazed at how religious zealots are obsessed with other people's private affairs, sex, and their inherent need to bring nazis into the discussion. Connecting unrelated dots after the fact proves nothing but your manic, conspiracy theory neurosis. Your self righteousness is the only problem at work here. You purposely and proudly destroy public property and claim the high road. You claim you know better than those you disparage without even knowing those you disparage. How quaintly vile.

Please keep your prideful ignorance and arrogance between you and a desperately needed therapist.

You are a sociopath, and your obsession with gay sex belies a clear self loathing. You are a violent bigot and clearly uneducated. Before your actions, those books were mostly unknown. I have know purchased and donated copies of those books to all 10 of my local libraries. You're hate will only inspire more love for the LGBT community.

burned in protest of a gay pride festival on Oct. 19.

The destruction puts the library in an odd position. Normally, a lost or very-overdue library book is handled with fines, and, if a book is lost or stolen, the borrower is asked to reimburse the library.

Orange City library director Amanda Vazquez said library officials will handle this situation by the book, so to speak.

"We do have policies in place for books that are not returned to the library once they are due," Vazquez said. "That is part of our circulation policy."

Vazquez said the library has yet to decide whether to replace the four children's books -- David Levithan's "Two Boys Kissing"; Suzanne and Max Lang's "Families, Families, Families!"; Gayle E. Pitman's "This Day in June"; and Christine Baldacchino's "Morris Micklewhite and the Tangerine Dress."

"We're exploring our options at this point," she told the Journal in an interview last week.

Dorr, director of the Ocheyedun, Iowa-based

religious group Rescue the Perishing, made a Facebook Live video denouncing the library for having the LGBTQ books in its holdings. In the 28-minute video, made during the first day of the OC Pride LGBTQ festival in Orange City, he threw the four books into a burning barrel.

The video and Rescue the Perishing's Facebook page appear to have been removed from the social media site since then.

According to the Orange City library's policy on overdue books, a fine of 10 cents accrues each day a book isn't renewed after a three-week checkout period. Once an individual accrues a fine of more than \$2.01, library privileges are revoked.

Once a book has been overdue for 28 days, a letter with an itemized bill of costs and materials will be sent. After 60 days, a certified letter with an itemized bill and a "notification of criminal action" is sent to the borrower.

If the borrower fails to respond to that notification, the library director may contact law enforcement or the county attorney about the theft of the book.

Based on the relatively low value of the books, Dorr could be charged with fifth-degree theft, a simple misdemeanor. If convicted, he could face a fine of between \$65 and \$625, 30 days in jail, or

both.

In the aftermath of the book burning, people across the country expressed outrage at Dorr's actions.

Many expressed interest in donating to the library in the aftermath of the video. Vazquez said a few hundred dollars' worth of donations have rolled in, as well as some books.

The library faced criticism earlier this year, when members of the conservative, historically Dutch Reformed community spoke out against LGBTQ books held by the library.

"As a congregation, I would have to say we are shocked that tax money is being used to push this agenda even further," the Rev. Sacha Walicord, pastor of Grace Reformed Presbyterian Church, said during a public meeting in February. "As pastors, we have been silent for far too long. We have rolled over for far too long. This ends now."

At the time, library critics were upset by books like "Morris Mickelwhite and the Tangerine Dress," in which a boy wears a dress. Some accused the library of trying to "indoctrinate" youth and promote "transgender normalization."

In response to the uproar, this spring the library changed its classification system and opted to arrange books by subject and category instead of alphabetically by the author's name.

\*\*\*\*Orange City, Iowa Pride has celebrated their annual event\*\*\*\*

A weekend of love, acceptance, and Pride.

During the weekend of October 19-21, Orange City Pride kicked off with events that began at 5:30pm at the Prairie Winds Event Center. Welcomed by a crowd of nearly 250, the Des Moines Gay Men's Chorus moved the masses with their beautiful voices and heartwarming message. The Shakers Family entertained all with laughs and dancing, like no other group could. Opening the hearts of OC Prides friends, neighbors, and community by showing the true colors of celebration and love.

Saturday, Orange City Pride hosted a variety of events that further continued the celebration. A morning yoga session helped to center thoughts on spreading the message of love and acceptance. That afternoon saw an information fair with nearly 15 organizations highlighting resources available for all the nearly 150 attendees, while focusing on the outreach for the LGBTQ+ community. Orange City Pride then hosted one of its favorite events, the "Buried Seeds" storytelling program. Where members of the LGBTQ+ community were able to share their heartbreaking, heartfelt, and humorous stories, which brought in over 100 to remind them that they are not alone. Saturday continued with a happy hour event at Town Square Coffee House, where Breanna Joy Pierce dazzled the crowd with her beautiful voice. After, OC Pride was happy to host a dance and celebrate the LGBTQ+ community into the evening.

Orange City Pride hosted a show tunes brunch on Sunday morning, which drew in over 100 guests.

OC Pride is so thankful to the local business partners who opened their hearts and doors to help host this event.

Pride has always been about creating a beautiful, vibrant community where everyone can feel accepted and be their truest self. OC Pride encourages anyone who is feeling isolated or in need of support to reach out to the group throughout the year. One of the hashtags used this year for social media was Pride Never Ends. OC Pride is about letting the incredible LGBTQ+ community know that celebrating them never ends. And they can look forward to more events in the future that highlight them.

To donate to future events or to find out more about OC Pride, visit our Facebook page, [www.facebook.com/ocpride](http://www.facebook.com/ocpride)

Our comments regarding the actions of Paul Dorr:

OC Pride is aware of what happened, however, our goal is to remain focused on creating a healthy, loving environment for the LGBTQ+ of the community. It is disappointing to see folks break the law in a community where we believe abiding by the law keeps everyone safe. We are thankful for the LGBTQ+ community here in NW Iowa for setting a positive example of building community in light of those who do violent, illegal things to prove a point. OC Pride is committed to creating safe, supportive, and encouraging spaces & events for the local, rural LGBTQ+ community of NW Iowa. We would encourage you to reach out to the Orange City city council and the Orange City Police Department concerning the destruction of city property. To help us continue to spread the love and joy that Pride brings, please consider donating to our Facebook Page: [www.facebook.com/ocpride](http://www.facebook.com/ocpride)
