"Deliver those who are drawn toward death, And hold back those stumbling to the slaughter" Pr. 24:11

**STATEMENT TO THOSE ON THE
SIOUX FALLS PRIDE PARADE
IMMEDIATE RELEASE
Contact: Paul R. Dorr**

June 10, 2023

"O Lord, to us belongs shame of face, to our kings, our princes, and our fathers, because we have sinned against You. To the Lord our God belong mercy and forgiveness, though we have rebelled against Him." **Daniel 9:8-9**

"For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God?..." **1 Peter 4:17a**

Ocheyedan, IA • It's easy for the few God-fearing Christians to stand on the side of the Sioux Falls Pride parade and confront the sins of these homosexuals, transgenders, and other sexual rebels, even while calling them to faith in Christ! It's even easier to condemn them far away from here, in the privacy of a Bible Study. But when do **we stop and think, "How did we get here?"** Homosexuals parading in downtown Sioux Falls? After all, 1 Corinthians 13:4b says, "Love does not parade itself, is not puffed up;"

Let's ask a more **fundamental question**. Whose generation that is still alive today, was the last in America that grew up with little divorce, average family size of four+ children, many aunts and uncles (who rarely got divorced) lots of cousins, churches teaming with families worshipping God, large family reunions, schools full of children, non-feminist mothers at home, providing/loving/disciplining fathers, very little youthful sex (and when it surfaced the young couple often got married), abortion very rare and sodomy was almost unheard of? Who enjoyed this childhood? We did! We 'boomers' grew up like this. Yet, the millennials of today know next to nothing about such childhoods!

And what did we 'boomers' do when the three branches of government, the education system, the media, many liberal churches, etc. organized to attack this type of civilization? By and large, nothing! Our parents did little to nothing as well, but most of them have passed away!

So here we are. Having decades of vile sexual instruction to children in classrooms; Christian pulpits not proclaiming the truth of God's Law anymore (which would make the understanding of real grace by faith in Christ even more powerful) and becoming a part of the problem; and a media filled with sexualization for fifty years, has all led to a degradation of unimaginable portions.

Where was our generation for the Drag Queens and others parading today, when they were still sexually innocent children? Did we stop nearly everything and go to spiritual and cultural 'war' to protect these generations? Many of us know by studying the Old Testament what God does to His own people and nations when they ignore His commands and His prophet's warnings and let Satan have his way leading the young into Asherah pole worship. That is, sexual debauchery and spiritism. Yet, our generation effectively said nothing.

Even the criminal adults who are bringing the young into the gender transitioning world were themselves likely immersed in their own sexual debauchery as children and now want to drag these children down into the pit with them. Grotesquely, we learn of far too many parents now doing it!

We believe in corporate covenantal responsibility to proclaim the Law/Gospel of the Triune God into the community! Yet our generation failed. We are here today on behalf of our generation asking God's forgiveness and that of the last two generations.

Many Christians were seduced into **two fake institutional responses** over the years. 1) Vote Republican and 2) Write a healthy check to a fake pro-life group like the Alpha Center or the National Abstinence Clearinghouse (NAC), founded by Leslee Unruh. Both are located here in Sioux Falls.

In my old newsletter dated, April 30, 1994, RTP reported that Leslee Unruh “said in a public setting in Chamberlain, **that teaching young people the Seventh Commandment (forbidding adultery) just doesn’t get anywhere with them anymore.**” That’s fake! RTP also reported in that same newsletter, that “Shadehill rancher, Jonathan Wiechman, heard Unruh speak in Lemmon, SD (1/12/92). He reports being very disappointed. *What turned us off was her talking about intimate things in front of a mixed group of men and women; but especially talking that way in front of men at all. It really concerned us that she spoke to a mixed group of young people earlier that day. We surely didn’t expect what we heard.*”

Clearly, such talks would appear almost tame today compared to what’s now going on in most schools, but it started with her. I have many examples of explicit sex-talk that came from her fake “abstinence” education curriculum, sold across the nation. Those 12-year-old children back then are now 42+ year old adults. Many of them are now teachers, whose own sexual innocence was undermined if not destroyed by the likes of Unruh. Now we are under a generational curse and the only way out is repentance. Unruh’s power over her own ‘sex empire’ - in the name of Christ - has accommodated the failures of two generations of Christian fathers/pastors to do their duty of training their children.

According to Audrey Werner of Plano, TX, Judith Reisman, then Chairwoman of Unruh’s NAC, told Unruh at a Family Watch International Conference in Phoenix, AZ, (November 2017) that, **“these new abstinence educators that are coming in are going to bring in even worse programs than the sex-ed we have today.”** To which I had to consider the horrible irony when hearing this, as I sounded this warning 30+ years ago. According to Unruh’s Wiki page (screenshot 7/22/2022) NAH started in 1996 and now has 4,000 abstinence affiliates in 50 states and 105 countries! It grew rapidly after a federal government grant of \$50 million for abstinence programs.

Unruh’s response to my public warnings in the early 1990s during the infant stages of her “Christian” sex-empire was to contact then South Dakota U.S. District Attorney Ted McBride with her mouth full of lies and he contacted the FBI which started an investigation on me, which went nowhere. But consider how desperately she wanted to sexualize kids in the classrooms, especially Christian children, that she’d turn the FBI loose on me.

Today classroom sex talk now includes teaching gender identity and homosexuality, unheard of 30 years ago. After 40 years of Christian support of Leslee Unruh’s classroom sex-talk empire, how’s it worked out? **How can we expect Drag Queens to hear anything we have to say when our generation of “Christian leaders” may be at the root of this entire mess?**

Again, **1 Peter 4** (above) says, *judgement does begin at the house of God.*

May God forgive us! May the young people here today forgive our generation. As we repent and pledge to speak up in the future, our sins still don’t justify your horrible sins. As Ezekiel 18 makes clear, both fathers and sons are responsible for their own sins. Yet we hope our first step will help you to consider faith in Christ and to turn from your sins, too. **We call upon our fellow Boomers to join us and repent and speak up against the institutionalized sexualization of the generations that followed us.** We need to sacrifice mightily and get our grand-children and others in our community out of schools that rip the authority of teaching about sex out of the hands of parents and the pulpit.
